# Horse Riding for Everyone

## Paddock Hacks

Suitable for all beginner riders aged 5 and over. This one hour introductory session combines time spent in the sand paddock learning the basics followed by a gentle walk around the surrounding scenic woodland.

## Walkies

These are 30 minute lead rein sessions designed as an introduction to riding for children aged 4 to 7 years. They will go for a gentle walk in the woods where they can start to learn some of the basic skills.

## Hacking

Hacking sessions through the surrounding Scottish woodlands are regularly scheduled for riders confident in walk and rising trot. More experienced riders can also book onto a walk/trot/canter hack.

## Lessons

We provide professional and friendly riding tuition for all abilities from beginners to advanced - ages 5 and up. If you have ridden in the past and would like to take up the reins again, the first step is to book an assessment lesson.
